Measure G
Citizens' Bond Oversight Committee
2012-2013 Annual Report
January 2014

INTRODUCTION

On November 7, 2006, the Bakersfield City School District submitted for voter approval Measure G, a bond election measure to authorize the sale of \$100 million in bonds “to upgrade restrooms and plumbing systems, renovate electrical systems to improve student access to computers/technology, acquire and construct classrooms and new schools to reduce overcrowding, make health, safety and security improvements, and improve facilities.” This measure was submitted to voters under the terms and conditions of Proposition 39, which requires a 55 percent affirmative vote for passage. Measure G passed with 63.8 percent.

Accountability requirements of Proposition 39 include annual performance and financial audits on the use of bond proceeds and the establishment of an independent Citizens’ Bond Oversight Committee to ensure bond proceeds are expended only on school facilities and not on school operating expenses.

CITIZENS’ BOND OVERSIGHT COMMITTEE

California Education Code Sections 15278-15282 established the duties of a school district and its duly formed Citizens’ Bond Oversight Committee with respect to Proposition 39 bond measures. This code requires that the governing board establish and appoint members to an independent citizens’ bond oversight committee within 60 days of the date that election results are certified. The Bakersfield City School District Board of Education was proactive in establishing a Citizens’ Bond Oversight Committee and adopting bylaws on August 22, 2006, contingent upon passage of Measure G. The Board certified Measure G election results on December 12, 2006.

The Committee must consist of at least seven members to serve for a term of two years without compensation and for no more than two consecutive terms. The Committee must include:

- A. One member who is active in a business organization representing the business community located within the school district.
- B. One member active in a senior citizens' organization.
- C. One member who is a parent or guardian of a child enrolled in the school district
- D. One member who is a parent, or guardian, of a child enrolled in the school district and active in a parent-teacher organization.
- E. One member who is active in a bona fide taxpayers' organization.

The current committee membership includes:

Edgar Pankey – Chairperson
Sherri Ostly – Vice Chairperson

Matt Michael
Amanda Pitts
Tim Werdel

District support is provided by:

Steve McClain – District Chief Business Official
