

The Flyer News

Sept/October 2017

From the Principal,.....

Thank you to the teachers, parents and students for a very successful Back-To-School Night. We love that our parents are so involved at the school and support all of our activities! Picture Day is September 26 and Parent Conference Week is October 23-17.

Go Flyers!
Nancy Olcott, Principal

From the Fletcher Parent Handbook

We are beginning to notice some areas of concern and these topics are addressed in our Fletcher Parent Handbook. This handbook is sent home with students at the beginning of the school year with the parent signature. Please discuss these items with your child.

GUM, CANDY, SEEDS

At Fletcher, we have a "No Gum" policy for adults and children. Gum and seeds should not be consumed on campus at any time. The teacher will handle gum and seed problems in the classroom unless it is a continuing issue.

ARTICLES FROM HOME

No toys, electronics, personal cell phones, fidget spinners or other personal items should be brought from home. The school is not responsible for any loss of personal items brought by students from home. If any of these items are brought to school and cause a disruption to the learning environment, the item will be held and returned to the parent.
