

Bakersfield City School District is one of the largest school districts within California, and with an ever growing community, our need for transporting students continues to grow.

Become a **School Bus Driver** and receive rewarding experiences working with our diverse student population. You will enjoy the benefits of a competitive salary, variable work schedule, and health benefits package for you, and your family.

If you are interested in extra hours we offer our drivers opportunities for field trips and sporting events.

Apply for our **School Bus Driver Training Class** and it can lead to a permanent position.
