“Growing in Partnership”

The Bakersfield City School District acknowledges that parents are their child’s first and most important teacher and participate as full partners in their education to ensure success in school and in life.

(BCSD Parent and Family Engagement Resolution, 2011)

Our Vision:

The *Parent Resource Center’s* vision is to engage and empower parents and families with the knowledge, skills and resources to build readiness for their child’s academic success.

Our Mission:

Bakersfield City Schools District’s *Parent Resource Center’s* mission is to ensure all parents and community members are welcomed and actively engaged in the learning process of children.

Our Goals:

1. Building families’ capacity to support their children academically and socially.
2. Ensure families receive a culturally responsive and supportive environment which provides access to school, district and community resources.
3. Empower parents to participate in school/district leadership.
